PROFESSIONAL SUMMARY

U.S. Marine Corps veteran (Corporal, Key Management Infrastructure Primary, former Secret clearance) and finance graduate (GPA: 3.7) with the FINRA SIE and a New Jersey real estate license. Runs the books, rent ledgers, taxes and purchase financing for a 12+ property residential portfolio. Self-taught Python developer building LLM-driven research and automation tools. Brings audit-grade record keeping and accountability to financial analysis.

EDUCATION/CERTIFICATION/LICENSE

Bachelor of Science - Finance — December 2025
New Jersey City University – School of Business, Jersey City, NJ. — GPA: 3.705/4.0
New Jersey Real Estate Salesperson License. New Jersey. — January 2026
Securities Industry Essentials (SIE) **– Financial Industry Regulatory Authority** (FINRA) — March 2026

PROJECTS

Independent Python & LLM Projects, Bayonne, NJ. — April 2026 – Present

- Project Hero One: building a Python trading research platform that ingests market data, news and social sentiment through web-scraping pipelines and uses LLMs to generate and test signals.
- Hero AI: built a local-LLM career agent with an encrypted vault, browser automation and a resume fact-checker.
- Project Deal Delta: built a government-contract bid tool that prices cost to fulfill vs. award value and benchmarks against USAspending award percentiles.

PROFESSIONAL EXPERIENCE

KSR Realty LLC, Bayonne, NJ. — February 2025 – Present
Property Management

- Keep the books for 12+ residential properties (mostly duplexes and 3-4 unit buildings, ~$3,000 average monthly rent per unit): rent ledgers, expense receipts and tax preparation in Excel.
- Handled purchase-loan financing for 3-5 property acquisitions, working with lenders through closing.
- Draft lease agreements, file landlord registrations and coordinate landlord-tenant court filings with outside counsel, preparing the ledgers and documents each case requires.
- Manage maintenance, repairs and outside-client projects (plumbing, electrical, painting, replacements).

United States Marine Corps, Twentynine Palms, CA. — July 2019 – July 2023
Transmission System Operator – Key Management Infrastructure

- Selected as Key Management Infrastructure (KMI) Primary as a Lance Corporal, a billet normally held by a Sergeant; owned the unit's COMSEC account and cryptographic keying material.
- Held personal accountability for $30M+ of communications equipment (about 1,000 radio sets plus vehicles, SATCOM antennas and network hardware); passed every quarterly and annual COMSEC inspection.
- Ran quarterly equipment risk assessments (maintenance cost, failure rates, replacement cycles) and briefed findings and recommendations to senior leadership.
- Supported communications planning for 16-24 battalion field exercises a year on HF, VHF, UHF and MUOS satellite networks; trained junior Marines on equipment and accountability.

Emerson Amusement LLC, Jacksonville, FL. — February 2017 – July 2019
Finance & Operations Lead

- Ran payroll for 15+ employees across 3 locations and kept the books (cash ledgers, disbursements, deposits) for the owners.
- Reconciled $100K+ in gross cash flow and kept records accurate for IRS and Florida reporting.
- Managed day-to-day store operations and resolved customer account issues.
