PROFESSIONAL SUMMARY

Finance graduate (B.S., GPA 3.7; FINRA SIE) and U.S. Marine targeting equity research, financial analyst and quantitative analyst roles. Directs month-end close, bank reconciliation, budgeting and owner reporting for a 13-property real estate portfolio. Former Corporal (Secret clearance, inactive) accountable for $30M+ in assets; a fast study ready for any assignment.

EDUCATION, CERTIFICATIONS & LICENSES

Bachelor of Science, Finance — December 2025
New Jersey City University, School of Business, Jersey City, NJ — GPA: 3.705/4.0
Securities Industry Essentials (SIE), Financial Industry Regulatory Authority (FINRA) — March 2026
Real Estate Salesperson License, New Jersey Real Estate Commission — January 2026

PROJECTS

Independent Equity Research, AI & Quantitative Projects, Bayonne, NJ — April 2026 – Present

- Project Hero One: Architected a 78K-line Python research platform (pandas, NumPy, SQL) on local LLM inference, integrating SEC filings, 13F holdings, supply chains, 50+ sentiment-tagged news sources and full price history for fundamental analysis.
- Deal Delta: Developed an AI-driven federal contract pricing platform that parses solicitations into requirement matrices, deploys AI sourcing agents to price goods and services, and benchmarks margins against USAspending award percentiles.

PROFESSIONAL EXPERIENCE

KSR Realty LLC, Bayonne, NJ — February 2025 – Present
Property Management & Financial Operations

- Direct financial operations for a 13-property, 26-unit residential portfolio ($2,600–$3,600 monthly rent per unit), recording rent receipts, operating expenses and repairs in property-level Excel ledgers and closing the books for each property monthly.
- Reconcile bank deposits to the rent roll monthly; process contractor invoices and recurring bills by property.
- Engineered Project Kingdom, a Python and SQLite system of record: double-entry ledger, bank reconciliation, 30/60/90-day receivables aging, budget-vs-actual variance by property, a 12-month cash flow forecast and owner statements.
- Oversaw purchase-loan financing on 5 property acquisitions, liaising with lenders from application through closing.
- Produce owner financial summaries and assemble income, expense and supporting records for each property's annual tax filing.
- Compile rent ledgers and verified complaints for landlord-tenant proceedings with outside counsel; draft and revise leases.

United States Marine Corps, Twentynine Palms, CA — July 2019 – July 2023
Transmission System Operator, Key Management Infrastructure (KMI) Primary, Corporal

- Selected as KMI Primary as a Lance Corporal, a Sergeant's billet; administered the COMSEC account and led 12+ operators.
- Ordered, distributed and accounted for electronic keying material securing the battalion's HF, VHF, UHF and MUOS networks.
- Safeguarded $30M+ in assets (~1,000 radios, tactical vehicles, SATCOM), with full chain of custody for cryptographic items.
- Achieved 100% on monthly unit, quarterly battalion and semiannual regiment COMSEC inspections and random audits.
- Maintained appointment letters, access rosters and security records across the unit and subordinate units.
- Conducted quarterly risk and cost analysis of maintenance costs, failure rates and replacement cycles; delivered data-driven recommendations that informed senior leadership's repair and equipment replacement decisions.
- Recovered double-issued equipment, remediated the records and instituted an Excel tracker to prevent recurrence.
- Instituted a calendar and checklist system for cryptographic changeovers, after which late actions in the section became rare.
- Authored COMSEC policies, emergency action plans and the MUOS SOPs; taught KMI classes and led emergency drills.
- Trained each month's new Marines into operators; filled technician, network operator and section leader roles.
- Orchestrated communications for 16–24 battalion field exercises a year, planning frequencies, keys and backup paths.

Emerson Amusement LLC, Jacksonville, FL — February 2017 – July 2019
Finance & Operations Lead

- Reconciled $100K+ in gross cash flow across 3 locations by auditing the safe, issuing starting banks and balancing every drawer.
- Investigated and documented every cash overage and shortage; prepared bank deposits reconciled to the ledger.
- Produced location-level cash flow reports that gave the owners visibility into each location's performance.
- Administered payroll for 15+ employees, calculating hours and pay and maintaining complete payroll records.
- Maintained receipts, disbursements and supplier bills in paper ledgers and Excel, ensuring accurate IRS and Florida records.
- Directed opening, closing and cash coverage across 3 locations as the owners' day-to-day liaison; resolved customer issues.
